

25 YEAR LIMITED PAINT WARRANTY

FOR SPECIALTY PRINTS

1685 State Route 39, Sugarcreek, OH 44681
ph 330.852.1310 • www.premiermetals.com

This warranty becomes effective when the paint film under the hereinafter-stated condition is found to:

- Perforation:** Prepainted DIGITAL PRINTING (MVP ARS CLEAR) is warranted against perforation by corrosion for MAX TWENTY (20) years after installation.
- Peeling and/or cracking on the surface of coil coated sheet:** Any defect must be recognized by naked eye investigation vertically from a distance of 2 meters. Defects for crazing or cracking that may occur from roll forming or sheet forming are not covered under this warranty.
- Chalk:** Chalk will not exceed numerical ratings when measured in accordance with the standard procedure specified in ASTM D 4214-89 on clean surface after removing dirt, other surface deposit per ASTM D 3964.

4. Warranty terms:

Installed area	Use of panel	Warranted terms		
		Perforation	Peel & flake	Chalk
Residential, Commercial, Light industrial	Wall (>1km from marine & industrial environment)	For 25 years	The naked eye For 20 years	>#4 For 20 years

Warranty is subject to the following terms and conditions:

- This warranty applies to goods used on metal buildings installed in USA.
- This warranty is apply to 3coating-3baking system and total film thickness 29µm (minimum) top side (PRIMER: 4µm minimum, BASE: 13µm minimum, CLEAR 12µm minimum), and total film thickness 4µm (minimum) backer. Prime coat contains a chrome ingredient.
- The DIGITAL PRINTING (MVP ARS CLEAR) paint finish as supplied must not be scratched, abraded, or damaged in any way, or coated with an incompatible material.
- Sheltered areas or areas unwashed by rain exposure must be washed down on a regular 6 monthly basis. Corrosion arising in unwashed areas will not be covered by the warranty.
- The product, as supplied, must not at any time come into contact with an incompatible material.
- The application of post paint treatment or system to the product will invalidate this warranty.
- Installed pitch of the roof is equal to or greater than 15 degrees above the horizontal.
- The roof is fully lined and does not contain exposed eaves or other areas sheltered or unwashed by natural rainfall.
- The walling must not be protected from washing by natural rainfall due to structures including, without limitation, canopies, patios, carports or verandas, other than by eaves which extend no greater than 600 mm out from the wall.
- Wall sheeting must not be used as concrete formwork or be immersed during construction or immersed during general exposure.

This warranty is for you to fill out and keep for your records. Please do not mail the warranty to us.

11. The product does not include box gutters.

12. This warranty will not cover the defect due to the following causes:

- Damage to the coating due to the improper processing, transportation, handling or installation.
- Defects attributed to faulty design, method of manufacture or installation of the product.
- Exposure in abnormal conditions: excessively polluted areas, excessively humid areas, tropical areas, in the vicinity of chemical or iron industry.
- Contact with concrete, mortar, soil, ash, fertilizer, moisture retaining substances, lead or copper and other dissimilar metals, chemical agents, liquid from copper flashings or copper pipes, green or wet timber or treated timber.
- Attack from chemical or other agents, fumes, liquids or solids other than direct rain or run-off falling onto the product.
- Failure to remove debris and/or failure to provide free drainage of water including internal condensation from all surfaces of the product.
- Installations subject to salt marine, severe industry or unusually corrosive environments at any time in the future.
- Corrosion arising within lapped areas of end-lapped sheets. Corrosion at cut edges.
- Failure to replace corroded fasteners.
- With regard to paint delamination (peel or flake), the internal facing surface of the product.
- Damage or failure which is occurring from natural disaster, fire, flood, explosion, falling stone, acts of war, riots, vandalism, salt spray, atomic radiation, typhoons, other similarly extreme 'acts of God', or other such occurrences beyond Manufacturer's control.

13. Claims under this warranty must be made in writing to Premier Metals at the address set forth above within the period of this limited warranty and within 30 days after Buyer discovered the nonconforming sheet, and Buyer must give Seller a reasonable opportunity to inspect the material. Adequate identification of material involved in the claim, including date of installation, order number, invoice number, and date of shipment must be established by the Buyer. Buyer shall also present such evidence that establishes any claimed nonconformance was due to a breach of the limited warranty stated herein.

14. This Limited Warranty on steel coated by Digital Printing MVP type applies to limited refund period starting after 15 years. During the first 15 year period after the delivery date, the limited warranty value will be equivalent to a maximum of 100% of the purchase price of the product. From year 15 until max terms, the Limited Warranty value will be decrease the 10 percentage rate per year of the total purchase value.

This warranty becomes effective when all of above conditions are done.
